Don't forget to Vote!

Election day is Thursday, November 7th.

Vote NO on Question #1 and support our local small businessmen that live, work and support our community.

Dennis South Business Association

It was voted to change the name of the Dennis South Business Association to the new name Dennis Small Business Association to better serve our members from all over the Town of Dennis.

We welcome any new businesses that would like to join. To become a member go to our web site DennisCapeCod.org. There you will be able to view the calendar of events, meeting information and much more. We have something going on each month and have many events each year that help our community .

The Dennis Small Business Association promotes the

Town of Dennis and the small businesses that make up our town. We work with many organizations to make this happen. We have had a great response and accomplished a great deal, including the 2006 Summerfest and Fireworks at West Dennis Beach. I hope you can join us if you already are not a member.

The Christmas stroll is next on the calendar and we are looking for your business to take part with some kind of festive activity on Dec.2 , 2006. It is not too late to add your idea to our Christmas stroll itinerary. Last year was great time for all involved.

Dennis Mourns the Loss of a Great Man

This month marks a sad time for its residents with the loss of Jack Doherty, a vibrant member of the community and many civic organizations. Through the lens of his camera, Jack was there to document all of the events that took

place in our great town. He played them on his C-3 TV show to remind people of the fun and laughter life has to offer. He brought the true character of this community to life through his films.

Irish Jack, we will never forget you and all you did for the Town of Dennis, the people you touched, and the joy and friendship you brought to all who live here.

God bless you Jack Doherty !!!!

NOTE :

We are working on the 2007 calendar.
